missionary ventures | Involving People to Impact Nations for Christ

Dear Friends,

Special Christmas greetings in the wonderful name of our Lord and Saviour, Jesus Christ. Jean & I pray that you have a blessed Christmas time as we celebrate God's incomparable gift of His son, Jesus Christ.

We are well and looking forward to what the Lord has in store for us in 2020. We hope that you are all doing well and looking forward to the things that God will do in and through you in the upcoming year. Although I (Viv) have now stepped down from my local church leadership role, it seems that the Lord has plenty of other things for me to do. The small discipleship groups in France (now in three locations) are growing and I am pleased to be involved in several places here in UK where the folks are building a discipling culture. I am planning a trip to France to visit the groups and churches there early in the new Year (dates to be decided).

The work in India continues to go well although the folks there are experiencing more and more pressure from persecution by the radical Hindu government. Here is an excerpt from a recent mission report from Tulasi Prabhakar in Visakhapatnam: -

[Disciple training at Odisha \(formerly Orissa\)](#)

We started ministry in a new place in Odisha called Chikiti which is near Berhampur, Ganjam district. There are 15 disciples getting training in disciples making disciples. These disciples are from different villages and they come together twice a month in Chikiti to learn the Word of God, share their field experiences and testimonies and eat together. We have reached out into three districts in Odisha: Ganjam, Gajapathi and Rayagada. Now, in total we have trained 50 disciples in two years who are now disciple makers. Please pray for the needs of this ministry as we need a video projector for visual teaching. Also pray for some of our network missionaries from

Vizayanagaram, Visakapatnam, Araku Valley and Odisha who are are facing some persecution from RSS and Hindu fanatics.

Children's ministry

The children who are at our children's home are now doing well, The monsoon season brought the normal seasonal diseases

everywhere, Our children also suffered from fevers, but now by His grace all are healthy.

Thanking you. Yours in His field,
T.Prabhakarrrao & Glory.

The Kingdom Discipleship Centre

The Kingdom Discipleship Centre in Hyderabad, run by Malaki & Beulah Dara appears to be going well. A number of disciples have been trained and already have made their own disciples. I am expecting a full report on this project early in the New Year as we are well into our second year of this new ministry. I hope to bring you exciting news in our next newsletter.

The children's home in Tanuku continues to be blessed and the medical centre in Isnapur is really a tremendous blessing to the community.

Thank you for taking the time to read our report and thank you for all your continued support and encouragement. Be especially blessed at this Christmas time and Jean and I pray that the good Lord will pursue you with His goodness and mercy throughout 2020.

With much love to you and your families,

Viv & Jean
