Spring (and New Life) has Sprung!

Dear Friends,

As we move into Spring I hope that, like us, you are enjoying the signs of new life emerging all around us. Like nature around us, may we all experience a time of new growth and fruitfulness in our lives. There are not many people I know who are not busy. However, Jean and I are just coming out of a time where we purposefully slowed down for a month in order to wait upon the Lord. I have to say that we feel better for it.

Since our last bulletin, we have had a few ups and downs. The main 'down' was that we had to postpone our planned trip to France in January just a couple of days before we were due to depart. Jean was hurried into hospital for an urgent, although minor, surgical procedure, and it took about 4 weeks to heal up. We are pleased to report that all is now well. Thank you, Jesus!

One of the 'ups' concerns the medical centre and children's home project in Isnapur, India.

The building is now completed apart from one or two finishing items. The children are already sleeping there (although they don't have any

All we need now is to raise the funds for furnishing, decorating and fully equipping the centre.

We are still putting the budget together for this, but we're hopeful that it won't amount to a huge sum. We'll let you

As I said earlier, Jean & I took the opportunity to take the month of March at a slower pace. We put a number of our normal activities on hold and devoted a good deal of time to prayer and reading. As a result of this, we have decided to make a few adjustments

beds as yet - the ceiling fans make it cooler and more comfortable than where they were previously staying.)

We are overjoyed to report that all the money for the building work has come in, and the building work is complete

know when the budgets are finalised.

The photographs above are some of the latest images we have of the project, although we understand that things have progressed quite a lot since these pictures were taken.

over the next 12 months.

For example, we feel that it would be wise for Jean not to undergo any long haul travel for now, and so I will be travelling to India alone later in the year, although we both plan to visit New England this September as usual.

Also, we have decided not to try opening up new countries/ ministries in Europe at the moment, but just respond to requests/ invitations. We will continue to minister at the churches we normally visit in UK and also continue to serve in our home church here in Stockport.

Finally, can we point you towards our new website? It has been created by our eldest daughter Charlotte (aka Charley or Chaz). If you have the time and inclination you can find out more about what we're up to by visiting www.nolimitsmissions.co.uk

Thanks for taking an interest in what we're doing. Thanks for your prayers. Thanks for your support.

**Our love in Christ,
Viv & Jean xx**

Diary Dates for the next 3 months:

April 3rd Stockport

April 17th Stockport

April 24th	Barrow-in-Furness
May 1st	St. Annes
May 3-5th	AOG Conference
May 8th	Stockport
May 16-21st	France
May 22nd	Stockport
