Dear <<First Name>>,

COVID-19 Urgent Appeal: A Report from India

Jean & I pray that you are well and full of hope as we see some welcome improvement of the pandemic in many places. It has been a difficult time for everybody, but we thank God for his faithfulness during this time. Our prayers are invaluable. Sometimes it feels like it is all we can do, but don't underestimate their impact.

'The prayer of a righteous person is powerful and effective' (James 5:16)

News - As you will no doubt be aware, India in particular has been hit hard by a second wave of the Coronavirus and many thousands of people are suffering and losing loved ones. Therefore, in addition to appealing for prayer, we have decided to extend the '100 for 100' appeal where any donations will be sent to India to be distributed right to the point of need through our network in Andhra Pradesh. If you can help in any way this would be very much appreciated.

Not just North India - The News coverage tends to highlight northern India (particularly Delhi), but the suffering is everywhere. As an example, we have a family where the husband has died of coronavirus and left a wife and a 3 year old son - and this is typically where we want to help. We have many reports of church leaders critically ill in hospital and desperate families who don't know where to turn. **We will help as many families** as we can where there is a need.

So, we lament this awful situation - we pray for God's mercy and grace - to be poured out - but, equally importantly, we send our love through our giving. I know many of you have already given generously over the last year, but we feel no embarrassment in appealing once again.

You can contribute by visiting the Missionary Ventures website at <https://mvgb.org.uk/give/give-project/> or by doing a direct online bank transfer to MV (Sort Code 201003, Account No 10575828). In each case please make sure you state 'India Appeal' as the reference. Donors in USA should send any contributions to MVI in Florida in the usual way.

Thank you for your compassion, prayers and donations.

Grace & Peace in Jesus' name

Viv & Jean
