Dear <<First Name>>,

Overwhelmed by your Generosity: A Report from India

A massive thank you to all who donated to our special '100 for a 100' appeal late last year. Your generosity was amazing and at the time of writing we have managed to send around £18,000 to help the families of Christian leaders to weather the storm of COVID. Over 120 families across four Indian states received vital support. They send their heartfelt thanks to you. These are the moving extracts from their stories:-

Naga Raju – My daughters were so surprised to see how God would help His children in their need. They were so encouraged in their faith and witnessed to many people.

Mariamma – We are so happy moved with tears of joy how God would help our family. We have had a hard time struggling even to survive. We were able to get urgent medicines.

Sarah – No words are enough to say thank you and God bless your love (she had become a widow 3 years ago and still looks after a small congregation who were unable to support her because of their own financial challenges during COVID).

Yohan – I received the support in a very hard time where we did not even have rice to feed my children and family. We now have sufficient groceries for next 3-4 months.

John Babu – In the pandemic we were starving and praying for the Lord's hand on our family. Praise God for taking care of our needs. We were also able to buy clothes for our kids and

celebrate Christmas & New year.

Prem Kumar – It was really a very challenging time during lockdown for us to survive and it was God's amazing grace that we received the support.

Purushotham – During lockdown God helped us as he helped Elijah! My entire family was attacked by corona but we received provision for our needs!

Santhosh Devada – It was such a critical situation where we starved for days but God helped us through and we were able to also support the old people who are in need and we also made masks for others.

Onesimus - Shalom! Praise God for his amazing work during the Lockdown. It was a very critical situation where every individual suffered in some way or the other. But God helped us.

Srinivas –The support I received helped me to undergo two surgeries in time of emergency need. My heartfelt thanks.

Samson – We were amongst many leaders who where not even able to get a good meal for the family around the celebration of Christmas. The value of your kind gift is 10 times greater to us.

Anil Kumar – I am sincerely grateful to you. It was a very hard time during COVID-19 we struggled a lot to even have a meal and my son suffered with a fever and needed medicines

Rehman – I was really helpless and finding it difficult to buy basic groceries for my family. We praise God that in the midst of this crisis, you have remembered us.

Raju & Gnana Sundari – During lockdown my wife was pregnant with twins. Your kind gift made it possible for them to receive proper hospital care and they are doing very well now. All glory to God!

Epaphrah – My son Shyam Paul (12) years old has been suffering from a stroke and he is now unable to speak and even walk. We have been able to order a customised walk machine. We thank you so much from the bottom of our hearts for your caring support.

A final word and prayer from our senior leader in India ...

“You made our hearts filled with joy with the thoughtfulness of your love through your actions. You are such a great blessing to us. God bless you with all His abundance in every sphere of influence. Amen!”

Much Love,

Viv & Jean
